

Submission Guidelines

We are interested in artists who work professionally, who are steady performers, and who seek to continually improve. To submit artwork for review, please follow our guidelines.

- Submit a portfolio of 10-15 images (slides, digital prints, photographic prints or CD), completed within the last two years. Slides should be in standard plastic mount. Digital prints and photographic prints should be no larger than 8X10. If work is submitted on a CD, images should be at least 300 dpi, 480X640 resolution and no larger than 20 MB.
- Please label each image with the title, measurements and medium. Please indicate the retail price for each image.
- Include a brief biography, curriculum vitae and artist statement. Your submission should also include a description of the artist's work/studio habits and a comment about why the artwork would be a good addition to vboggs galleries. You may also include press clippings.
- Please include a self-addressed envelope with correct postage for return of submitted items.

All submissions will be reviewed over 30 days. Please allow us time to complete the process and respond to you in writing.

Send submissions to:

vboggs galleries
340 Town Center Ave., Suite A3
Suwanee, GA 30024
Attn: Selection Committee

We appreciate your interest in vboggs galleries and assure you that each application will be given serious consideration.

Cheers!
